1. The 12 Soviet Mechanized Division consists of the 83 Armored Regiment, the 67 Infantry Regiment, the 104 Infantry Regiment, the 125 Infantry Regiment, and the 37 Field Artillery Regiment.

The 83 Armored Regiment:

2. The 83 Armored Regiment is quartered in Arad in the area between Cosbuc and 7 Novembrie Streets, beginning at Boulevard Republicii and as far as Strada Horia. The area has been evacuated of its civilian population and is surrounded by barbed wire. The homes have been requisitioned for the personnel of this regiment. There are barricades at the southern ends of Cosbuc and 7 Novembrie Streets. The men wear black shoulder boards with red decoration.
3. The regimental commander is Colonel Mihai Mihailovitch Buroy. The regimental strength is 21 officers, 463 noncommissioned officers, and 38 men. It is divided into two battalions, each with four companies of 50 to 60 men each. In the 1 Battalion each company has 10 tanks of the Sherman type. The 2 Battalion has 10 T-34 tanks in each company.

The 67 Infantry Regiment:

5. This regiment is in the Arad-Micalaca suburb, on the western side, where the population has been evacuated and the area wired in. The regiment is fully motorized. Its commander is Colonel Ivan Sergeivitch Tshubarev.
